

AMENDED IN SENATE MARCH 17, 2005

SENATE BILL

No. 112

Introduced by Senator Ortiz
(Coauthor: Assembly Member Jones)

January 24, 2005

An act to amend Section 13276 of the Welfare and Institutions Code, relating to public social services.

LEGISLATIVE COUNSEL'S DIGEST

SB 112, as amended, Ortiz. Refugee social services.

Under existing law, the State Department of Social Services must require that a county's costs in administering employment-related and English language training programs funded by certain program funds derived from the federal Refugee Act of 1980 not exceed the percentage for county administrative costs permitted by the department in administering the Refugee Targeted Assistance Program. Existing law requires the department to allocate all social services funds derived from the act, after setting aside state administrative funds, to each eligible county in the same proportion that the number of refugees on aid in each eligible county bears to the total number of refugees on aid in all eligible counties. Existing law defines "aid" and "eligible county" for these purposes.

This bill would revise these provisions to instead require *50% of the social services funds to be allocated in the same proportion that refugees arrived in the each eligible county compared bears to the total number of refugees that arrived in all eligible counties during the preceding 36-month 60-month period for which the department has data, and 50% of the funds to be allocated in the same proportion that refugees on aid in each eligible county bears to the total refugees on aid in all eligible counties, during the preceding 60-month period for*

which the department has data. The bill would make conforming changes in the applicable definitions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
